LAST PERSTEMPO MONTHLY…

In last months PERSTEMPO Monthly the ARPERSCOM PERSTEMPO Management Team reminded all of you just how important it is for PERSTEMPO Professionals to continue tracking soldiers at each station. We explained who is responsible for tracking, and how commanders are finding out whether or NOT their unit is tracking. If you missed last months PERSTEMPO Monthly and would like a copy, contact LTC Macmillan or Major Williams at the phone numbers provided on this page.

TIME TO UPDATE YOUR USERS!

As the new Fiscal Year arrives, many PERSTEMPO Professionals will notice that their PERSTEMPO accounts are expired. When this happens, go to your AKO account and update your password. If your AKO account is not expired, than your local User Administrator can go into their PERSTEMPO site and update you directly. All User Administrators have to do is go into the PERSTEMPO Website and click on the following: **USER/ MAINTAIN USER/LAST NAME type in the users last name/SEARCH**. When the name comes up, change the access date to today's date and the end date to one year away. Then click on **SUBMIT. NOTE: User Administrators can NOT update their own status or the status of any other User Administrators. You must be updated by a MACOM Administrator. For TPU User Administrators contact Ms. Bernice Bland at USARC (404) 464-9530 or 1-800-359-8483. AR-PERSCOM User Administrators should contact the AR-**

PERSCOM USAR PERSTEMPO Management Team.

PERSTEMPO AND THE USR

The Chief of Staff of the Army recently had the Inspector General conduct a review of the PERSTEMPO System throughout the Army. The findings indicate that Units are not tracking and reporting all PERSTEMPO Events for their soldiers. As a result, the USAR PERSTEMPO Team at AR-PERSCOM will be complying with the Inspector Generals recommendation to have all Major Commands submit a PERSTEMPO 'Monthly Readiness Review' in conjunction with each Commands USR. Stand by for details which will flow down from the USAR PERSTEMPO Team to each Command G1 or PERSTEMPO Unit Administrator. NLT the first of the new Fiscal Year.

AORS PERSTEMPO DESKSIDE FOR REFERENCE (DPDR) has been updated

and will be distributed to all AORS Users by email immediately. The DPDR is a step by step reference for a PMO/NCO to use to, identify a PERSTEMPO event, properly originate PERSTEMPO event orders, and finally, how to annotate it.

INTEGRITY OF PERSTEMPO

The integrity of a unit's AHRS PERSTEMPO database information must be protected. Immediately report the departure of all account holder to your unit's User Administrator whereas the departing individual's account can be inactivated.
